Salvador DaliX

30 oil paintings on canvas 30 x 40 cm. A 'hommage' to Salvador Dali painted by my chinese assistants.

Fuck Faces (The Studio Visit)

An installation made out of 2 framed, stuffed leather reliefs (50 cm X 60 cm each) and a DVD video (9 min. loop) showing a seductive (transvestite) collector visiting a desperate artist who tries to sell his newest work.

Child Picassos

Copies of drawings and paintings made by immigrant school kids in Berlin after works by Pablo Picasso.

The 6 drawings (pencil on A4 paper) were re-drawn by me and exhibited in 2004 a turkish hairdresser's in Berlin named Salon Picasso. The 9 paintings (oil on canvas, 30 X 40 cm) were re-painted in 2008 by my chinese assistants.

Andy! Oxidation Paintings

Oxidation paintings by Mambo: a series of "piss-paintings" on copper painted canvas, 30x40 cm. And a DVD video documentation (3'10 loop).

This work is based on the Andy Warhol Oxidation Paintings series (Andy Warhol used to ask his assistants and friends to piss on copper painted canvas, creating abstract expressionist paintings through the oxidation of the copper paint by the urine). I am working with a friend who is a professional dog trainer in Rio de Janeiro. On my request he taught his dog to piss on the copper painted canvases everytime he says "Andy!".

The video shows the creation of the first Oxidation Painting. The series started in 2008, taking place when walking Mambo on the street or simply at home in the garden.

Painting China Now

A collection of 30 paintings (oil on canvas, 30 cm by 40 cm) depicting instances of violence inflicted by the Chinese government upon their own citizens. Commissioned through the internet from professional Chinese craftsmen, the results are beautiful, seductive works whose motivation, through suggesting 'painterly qualities', is in fact to embody the realities of capitalist profit and political oppression in a painting. Work made in collaboration with Ondrej Brody.

The final work was realized by Ondrej Brody. See the whole process documented here: http://www.brodypaetau.com/?page_id=119

A color photograph (30 cm x 40 cm) framed with passepartout (50 cm x 60 cm) and a DVD video (5 min. 03 sec.)

Part of a collaborative project in Berlin together with Ondrej Brody and Avdey Ter Oganian. AVU Monochromes

15 grey monochrome paintings (acrylic on canvas, 50 cm X 70 cm) and a DVD video (6 min. 56 sec.)
